Proceedings. Mr. Lea appeared for the Police.
Mr. Woo Teung Yeh for the accused.

Mr. Lea:- The Public Safety Bureau requested the Police to arrest the accused on the 31st of August, they came with a search warrant and warrant and stated that the accused could be arrested at 133, Look Rd. It was the Honan Government that asked for the accused as he is an important communist in Honan. In the accused house some books were found also a bill and a report. The accused was brought before the Court and was ordered to be detained and the representative of the P.S.B. to bring more evidence in connection with the case. The representative of the P.S.B. is in Court today and if they have sufficient evidence to produce, the Police have no objection for the accused to be handed over.

Representative of P.S.B. Woo Sen Jing:- We have written to the Honan Government but we have not yet received any reply, so I ask for a further remand.

Mr. Poo :- I ask that the accused be released on security as the representative has brought no evidence and even if they had done, the accused should be tried in this Court.

Mr. Lea:- There is a little evidence against the accused. A bill and a report was found on the accused but that is not sufficient proof. The Honan Government want the accused, and it would not be convenient to allow the accused out on security.

Decision.
